You will receive FREE SUPPORT & UPGRADES for 1 year for all software you purchase, allowing you to receive technical support and download the latest versions which include the latest features, bug fixes, database updates, formats, styles & images.

After 1 year you can extend your support & updates subscription for a small additional charge and if you own multiple products from our range then please do contact us for a discount when extending your subscription.

If you do not extend your support & upgrades subscription you will still be able to use the latest version of the software released during your subscription period.
